1. The Song Remains The Same	
I had a dream	Here's to love, how?
Oh, yeah	And walk
A crazy dream, uh-huh	oh-huh crazy yes
Anything I wanted to know	Learn to note that
Any place I needed to go	Words today, find hymn, my Sabbath
Hear my song	Ah sound it
Yeah, people don't you listen now?	And we searching for the beat Hi
Sing along	All of this
Oh	Oh
Don't know what you're missing, now	I perceived, wish no-one would
Any little song that you know	Words have lost the meaning
Everything that's small has to grow	Ooh, help, us, Find hymn today
Has to grow, push push, say what	Never smokes glue, I oppose this
Oh-oh-oh-oh-oh, California sunlight	Hear my signal all tonight For all of them I have knife
Sweet Calcutta rain	Here we hang the, noose
Honolulu starbright	Hear why it soon we give up
The song remains the same	Eh-eh-eh … Yes we hear them, go ask them
Ooh, ooh, oh, oh	Oh-oh-oh-oh
Hello	What if?
Ah	I hunt
We balled	I love you
All of this stuff, all the time	I should love you, I do like
All you gotta do it, do it now	Oh I knew we do it, do it in love
All you gotta do it, now	For I knew we do it in love
Ooh-ee	It is gloom
Sing out Hare-Hare	Give her all, to you lovers, buy noose
Ooh, dance the Hoochie-Koo	Oh lift with me, we surround them with gloom
City lights, oh so bright, as we go sliding, sliding	In a house, we live in a house, try noose Ya I'm for songs, for our lyrics
Sliding, sliding, sliding, sliding, sliding, sliding	I live in a house, live in a house, live in a house, live in a house, live in a house, live in a house
Ey-ey-ey-ey-ey-ey	I-I-I-I-I-I

2. The Rain Song	
It is the springtime of my loving, babe	Babe, if I love her I'm here to say
The second season I am to go	Look forward to my art Has these, acid
You are the sunlight in my growing	They won't tell me How lost the drawing?
So little warmth I've felt before	Won't go with that It's pearl glitterless
It isn't hard to feel me glow	Why hymn If we draw close at it
I watched the fire that grew so low, oh	Ooh Allah served them Ya I'll finish it all up
It is the summer of my smile	On December, masses eve
Flee from me, keepers of the gloom	Whose the fox? There will be hymn this eve
Speak to me only with your eyes	I heard them, we will walk in the pimps
It is to you, I give this tune	Where is the accelerate Get up, we used to it
Ain't so hard to recognize, oh	Over there I'm, Parish prophecy
These things are clear to all from time to time, ooh	Ooh Here I fall I believe cops when you see it
Oh, oh	Oh-oh
Oh	Allah
Talk, talk, talk, talk	I saw that house
Hey, I felt the coldness of my winter	First they will have the tools to win that, ya
I never thought, it would ever go	Hear why we work from memory, or surrender
I cursed the gloom that set upon her, 'pon us, 'pon her	The Lord, the Law, the Lord, for this I moarn preserve cloth
But I know, that I love you so	Oh words never line-up, oh hold'm tied up
Oh, but I know	Oh hold that up, oh
That I love you so	Oh I see the light
These are the seasons of emotion	I show you all, peace and rock
And like the wind, they rise and fall	Walk the walls, hear reason, they wouldn't, gather that
This is the wonder of devotion	I show'm, we fought with no resistance
I see the torch	Know, you used to love me
We all must hold	Oh-oh it's a wop
This is the mystery of the quotient, quotient	I shook, used to walk to parties, pace yourself
Upon us all, upon us all, a little rain must fall	I'll stop the hymn, forever hard enough, I was cynical, oh
Just a little rain, oh, yeah	Bad ankle, oh here my decision
Ah, ooh, yeah-yeah-yeah	Hey-hey-hey you, Allah

5. Dancing Days	
Dancing days are here again	Pray for me God's here, forsake us
Summer evenings grow	On the trip he found us
I got my flower, I got my power	Hear why I'm not gonna write about the number
I got a woman who knows	Would you open the law book
I said it's alright	And I roast todays stuff
You know it's alright	And I roast the laundry
I guess it's all in my heart	For all that I lost, to save a buck
You'll be my only	He bought our make believe
My one and only	He brought them over
Is that the way it should start?	Gods here to advise you
Crazy ways are evident	Hand over laws and we make it with you
By the way you wearin' your clothes	Oh bring them rare, we feed you
Sippin' booze is precedent	They deserve, Jimmy owns the place
As the evening starts to glow	Oh it starts and then feeds at that
You know it's alright	And I roast the laundry
I said it's alright	And I roast todays stuff
You know it's all in my heart	For all that I lost, the laundry
You'll be my only	He bought corned beef
My one and only	He brought them over
Is that the way it should start?	Gods here to advise you
Do Ya?	Rude
You told your mama I'd get you home	Get off with it Dare her mum we ghost it
But you didn't say that I got no car	God for them not, it nice to meet you, though
I saw a lion, he was standin' alone	Oh look at them so we can call LaRosa
With tadpole in a jar	Cause the limb advised me
You know it's alright	And I roast the laundry
I said it's alright	And I roast todays stuff
I guess it's all in my heart, heart, heart	For all that I've done, from the laws to save ya
You'll be my only	He bought our make believe
My one and only	He brought them over
Is that the way it should start?	Gods here to advise you
So dancing days are here again	Pray for me God's here to save us
As the summer evenings grow	Hopes in me, never say dead

You'll be my only, yes	Say you won't call me a freak
My one and only, yes	Say you won't deny wops
Is that the way it should start?	Laws to say it with badges
I know it isn't	This isn't quiet enough

Close the door, put out the light	Here I'll battle, wood for soil

The snow falls hard and don't you know?	[German]
The winds of Thor are blowing cold	Lord, the wall, brought this new
They're wearing steel that's bright and true	Oh, bust it out, the leaves and rogue
They carry news that must get through, oh	Oh here's the sound that makes him happy
They choose the path where no one goes	Ooh, no one wrapped this for the gift
They hold no quarter	Heard it all, don't vote for him
They hold no quarter	Heard it all, don't vote for him
Oh	Oh
Walking side-by-side with death	Make them have some, has to go
The devil mocks their every step, ooh	Ooh, It's too late, it's not moving
The snow drives back the foot that's slow	One slip note for the absurd ones
The dogs of doom are howling more	One lie and words described it
Vote	Won't
They carry news that must get through	Where's that sound that swing the basket?
To build a dream for me and you, oh, oh, oh	Whoa, who does that evil please to live with?
They choose the path where no one goes	Ooh, no one wrapped that for the gift
They hold no quarter	Heard it all, don't vote for him
They ask no quarter	Ooh, vote stab him
